**Amendment and Response to Advisory Action**

Dear Sir:

In response to an Office Action dated October 19, 2004 and an Advisory Action mailed on March 30, 2005, please consider the following amendments and remarks.

Claims 1-9 and 11-17 are pending in the application and are presented in a separate document titled "AMENDED CLAIMS" submitted concurrently herewith. Claims 11 and 13-17 stand withdrawn from consideration by the examiner as being drawn to a non-elected invention. In the Office Action, claims 1-9 and 12 stand rejected. The Office Action was made final. The Advisory Action states that the rejections in the Office Action stand.

Reconsideration based on the amendments and remarks is respectfully requested.
